

What CEOs think about wellbeing

At a recent event, we asked a group of CEOs if they agreed that wellbeing is board-level business. Here's what they had to say.

Does your company have an integrated wellbeing plan?

How important is the employee experience in your business?

On a scale of 1-10, where 10 is very important

Do you have a way of measuring wellbeing / employee happiness in your business?

33% No. 34% Work in progress

33% Yes

"Staff survey and team away days"

"Regular informal chats outside of the office where colleagues can share"

95% Yes

3% No

2% Maybe

Has this event (Why wellbeing is board-level business) helped to persuade you that there is a business case for employee wellbeing?
