Communicate the benefits

A great benefits scheme deserves to be shouted about - that's why we include employee communications in your happypeople package.

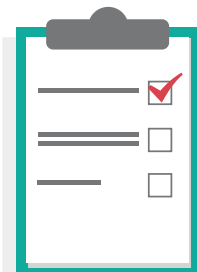

Communications packages include:

- onboarding pack
- launch pack
- newsletter pack
- benefit pack
- champions pack
- targeted emails
- posters
- PDF employee user guide and content for internal newsletters/intranet

Getting up and running is easy

12 weeks set up

Evaluate

Evaluate existing benefits to ensure that they're fit for purpose and provide good value for money.

Create

Use the happypeople theme and platform to create a compelling internal benefits brand.

Communicate

Communicate your employee benefits and introduce happypeople with a comprehensive internal launch.

Review

Work together to develop an ongoing flexible benefits strategy that continues to meet your objectives.

Our clients include:

What will you gain?

Increased productivity (as your people feel valued and motivated to perform better)

A lower recruitment spend (because you'll attract and retain employees)

Significant return on your investment and increased employee engagement

Reduced administration and risk (with support from a GDPR compliant partner)

“ PES are a breath of fresh air. What matters most of all for us with our suppliers is an open, easy relationship. That's exactly what we have with PES. They're like an extension of our team. ”

- Mia Samaha, HR Manager, The Behavioural Insights Team

Over 80% of businesses offer employee benefits as a way of retaining their best people.¹
